Behavioral Health Division Director's Report	<p>Mark Stringer, Division Director</p> <ul style="list-style-type: none"> Services-The biggest challenge is access. There are not enough treatment facilities and there is not funding to serve everyone that needs services. One of the only things that will help is Medicaid expansion. An estimate of 50,000 individuals would be eligible for services if they had Medicaid. Mark Shields-Recovery support services are needed in the state. Some services offered are: housing, spiritual support services, peer based coaching, employment, & transportation. Dr. Wesley Clark-Director of the Center for Substance Abuse Treatment-is retiring. He has been a great advocate for DMH. <p>Excellence in Mental Health Act</p> <ul style="list-style-type: none"> January 2017, 8 states will be selected for the pilot projects (Certified Community Behavioral Health Clinics) This will create a new way of paying for services. (Prospective Payment System) <p>42CFR Part II</p> <ul style="list-style-type: none"> Under 42CFR information cannot be obtained. 42CFR Part II needs to be modernized and exhaust every technological solution possible before getting rid of it. <p>Prescribing practice limits-like suboxone</p> <ul style="list-style-type: none"> There is discussion of removing the 100 person limit Invite an individual from the medical community to SAC 	Ask Dorn Schuffman to speak to council

Agenda	Discussion/Recommendation	Action
Budget Update	Vicki Schollmeyer, Director of Operations <ul style="list-style-type: none"> • Mandatory-Utilization Increase for Medicaid consumers-\$2.8 million, inflation cost for medication \$260 thousand • Core reduction-access federal authority 2.4 million SBIRT grant ended Sept. 30, \$230 thousand – Certification no longer under DBH. • Reduction-inmate involving fund dropping 	
Peer Support Services	Rosie Anderson-Harper, Director of Recovery Services <ul style="list-style-type: none"> • Individuals with lived experience are very valued as Peer Supports on the teams. • These services are POS billable only. We are waiting to hear back from Medicaid. • Agencies will receive CIMOR priority announcement which will include the instructions. • There is a weeklong training for Peers. • Mark added that this is one of the most important pieces of work DBH is working on. This is also happening in the public and private sector. 	
Disease Management Update	Tara Crawford, Healthcare Home Director Liaison <ul style="list-style-type: none"> • Program focuses on individual with High Medicaid cost, chronic health conditions and a behavioral health diagnosis-not receiving services-our CMHC then outreach to these individuals. • Due to Medicaid cost savings and improved health outcomes-expanded to ADA side in February. 320 Individuals were identified. 	
Recovery Story	Christine McDonald, Author and Advocate <ul style="list-style-type: none"> • Christine shared her compelling recovery story. • She is the author of the book Cry Purple. • She also discussed the Food Stamp legislation and her dedication to getting the bill passed. 	
Committee Workgroup Reports	Prevention Workgroup <ul style="list-style-type: none"> • Prescription Drug take back program-DEA is no longer supporting the community based program. It will now be up to communities to provide this service. There will be discussion on this topic at the upcoming Regional Support Center meeting. Some pharmacies are providing take back program. Another suggestion was to publish the permanent take back sites. • SB841-E-cigaretts-can no longer be sold to individuals under 18. Vendors will receive new signage which states the new law. Small shops can sell their own baked abstracts because they are not regulated. • Stephanie Washington was a vendor at the Real Voices/Real Choices conference and provided information on Hepatitis, HIV and contraceptives. Treatment Workgroup <ul style="list-style-type: none"> • Peer Supervision-Trainings will be held in 2015. Also to provide ongoing technical support for supervisors. • Recovery Support Certification Rules-has been sent to Governor's office. When/if approved it will go to Secretary of State.
